Q: What / Where is the Academy Student Concert

A: Taking place at Vanier College, 865 Ste-Croix, Ville St-Laurent, the Academy Student Concert is a concert series organized by the Montreal Academy of Music that provides an opportunity for students of the Academy at all levels to perform in a real performance but low pressure environment. It is a great **learning experience** and provides a focal point for one's continuing musical development.

The Student Concert can be thought of as a recital - a chance to perfect a piece and prepare it for performance quality. The concert can provide students with a sense of accomplishment, heightened confidence, and will allow them to see the results of their diligent practice. They'll also get to hear other students perform.

Q: What are the dates/times for the Student Concert?

A: The Student Concert will occur on **Saturday, June 13th**. For beginner and intermediate students, there will be multiple morning and afternoon concerts. There will be one Evening Concert on Saturday (Advanced Students Only.) Final times will be confirmed once we know the number of participants.

Q: What are the registration fees for performers/students at Student Concert?

A: \$20 for one student for a Daytime Concert
\$30 for each student for the Evening Concert.
Registration to any concert gives access to all the Daytime Concerts.

For a backing track (**karaoke**), there is no charge if you provide your own mp3 (subject to Academy approval).

For **live accompaniment**, a solo pianist or guitarist is available for \$75.00, including one rehearsal. There is a \$25.00 additional fee if no chart/score of the piece is provided to the accompanist as the accompanist must purchase and/or transcribe their own chart.

Finally, the **live 4-piece backing band** option is available only to Advanced Students in the Evening Concert, for \$150.00. This includes the price of an arrangement/chart for your piece, in the key of your choice, and one rehearsal with the full band. Additional rehearsal time is available for \$50.00 (15 minutes)

Here are all the fees summarized in table form:

Q: I would like to participate- what do I have to do?

A: Let your teacher know and he/she will sign you up and together you'll decide on a piece to prepare for the concert. If you need accompaniment in the form of a recording or a live accompanist, this can be arranged as well.
